

CITY OF ALAMEDA

Memorandum

To: Honorable Mayor and
Members of the City Council

From: John A. Russo
City Manager

Date: July 19, 2011

Re: Adopt a Resolution Approving a Revised Memorandum of Understanding
Between the Alameda Police Officers Association and the City of Alameda
for the Period Beginning January 3, 2010 Through June 29, 2013

BACKGROUND

The proposed Memorandum of Understanding (MOU) between the City of Alameda and the Alameda Police Officers Association (APOA) is for the period of January 3, 2010 through June 29, 2013. The MOU is on file in the City Clerk's office.

DISCUSSION

The City of Alameda labor relations representatives have met in closed session with the City Council to discuss negotiations with the APOA. The revised MOU is a result of those negotiations and falls within the parameters authorized by the City Council. The membership of the APOA has approved this agreement, which does not include any wage increases during the term of the agreement. As part of this MOU, the APOA has agreed to participate in the PERS Variable Employee Cost Sharing at a rate of two percent until June 29, 2013. Therefore, this agreement raises the amount contributed by APOA members to their pension premium by 22% (from 9% of salary to 11% of salary), for an estimated City savings of \$285,900 over the life of the contract.

The APOA has also agreed to modifications in the retiree health benefits of current employees and future employees. Current employees with at least five years of City service and eligible to retire will receive retiree health benefits up to the Blue Shield or Kaiser rate for single or two-party coverage. This change could save the City an estimated \$58,000 annually. Those hired after ratification with at least ten years of City service and eligible to retire will receive retiree health benefits up to the Blue Shield or Kaiser rate for single-party coverage only. In addition those hired after ratification will be allowed to put up to 50% of their unused sick leave in a 401 (a) (h) plan. This change could save the City an estimated \$459,000 annually. These concessions are the result of a joint negotiation session with all public safety bargaining units and will bring significant structural changes to the retiree health care program in the future.

City Council
Agenda Item #5-K
07-19-11

Other changes include the City contributing up to the Blue Shield or Kaiser rate on the health insurance premiums for employees, and a slight increase in uniform allowance for each year of the contract.

FINANCIAL IMPACT

The cost for implementation of the health, welfare, and other adjustments to the General Fund for FY10-11 is approximately \$3,600, which is the cost of the increase in the uniform allowance. This cost is included in the FY10-11 budget for other employee paid benefits.

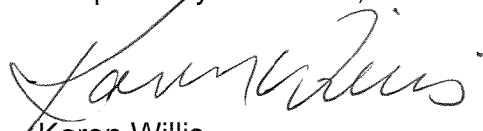

The cost for implementation of the health, welfare, and other adjustments to the General Fund for FY11-12 is approximately \$20,200. This amount reflects the estimated increase in the cost of current health benefits of \$111,000 and the \$4,500 increase in the uniform allowance and field officer training pay, offset by the \$95,300 estimated savings from the PERS cost sharing. This cost will be reflected in the FY11-12 budget under employee benefits.

There is a cost savings for implementation of the health, welfare and other adjustments to the General Fund for FY12-13 of approximately \$21,100. This reflects the estimated increase in the cost of current health benefits of \$165,000 and the \$4,500 increase in the uniform allowance and field officer training pay, more than offset by estimated \$190,600 savings from the PERS cost sharing. This savings will be reflected in the FY12-13 budget under employee benefits.

RECOMMENDATION

Adopt a Resolution approving the revised Memorandum of Understanding between the Alameda Police Officers Association and the City of Alameda, for the period of January 3, 2010, through June 29, 2013.

Respectfully submitted,

Karen Willis
Human Resources Director

Approved as to funds and account,

Fred Marsh
Controller
